

AFS-OC Tour of ROM's Lab Facility with Erling Holm

If you have ever wanted to see the ROM's fish collection, or wondered what happens when you submit a specimen to the ROM, you should consider joining us for an evening of information and networking at the ROM lab facility in Oakville on Thursday, May 30, 2019 from 6:30 pm to 8:00 pm.

This tour is limited to the first 20 AFS-OC or Student Subunit members to RSVP to Brian Morrison at brianmorrison@trentu.ca

Meet at 2055 Wycroft Road, Oakville L6L 6J4 at 6:30 pm. Tour lasts 1.5 hours.
