

Please join the AFS Ontario Chapter for a tour of the

Freshwater Restoration Ecology Centre

&

Great Lakes Institute for Environmental Research

Saturday May 26, 2018 @ 2 p.m.

At the

University of Windsor

The event will also include a group fishing excursion on the shores of the Detroit River, Sunday May 27

For information on local accommodation in Windsor, carpooling, and to register for the event,

Please contact Bill Glass ([president@afs-oc.org](mailto:president@afs-oc.org))
